Mental Health and Substance Use Services

Family Resources

Support Groups, Counselling, Education Resources, etc.

Published by the Family Support and Involvement (FSI) Team, Mental Health & Substance Use Services (MHSU), Vancouver Coastal Health

The FSI team provides families with information, education, referrals, and supports; engages families so that their voice is heard throughout the MHSU system; and supports MHSU staff in involving and engaging families.

Sean Ford, Consumer & Family Support and Involvement, Vancouver MHSU Acute (Segal Building); 604-290-3817; sean.ford@vch.ca

Jennifer Glasgow, Manager, Family Support & Involvement; (604) 266-6124;
Jennifer.Glasgow@vch.ca

****Please note that this is not an exhaustive list of resources as community resources are constantly evolving. Please call ahead to any resource to ensure their services are still current. This is particularly important during the COVID-19 emergency, when many resources are either not available or available in different formats and at different times.***

Mental Health Education for Families		
Pathways Serious Mental Illness Society: Family to Family Education Course	During this 8-week course, you will understand more about different mental illnesses and find out how to navigate the B.C. Mental health system. In addition, you will develop a range of practical communication and problem-solving skills to help you better care for your ill loved one and yourself.	https://pathwayssmi.org/education/family-to-family-course/ Contact: Office: 604-926-0856 programs@pathwayssmi.org
BC Schizophrenia Society: Strengthening Families Together course	six-session program that provides knowledge, support, and tools for families to better cope with mental illnesses together. Participating families learn the facts about psychosis, schizophrenia, mood disorders, and other severe and persistent mental illnesses; and the impact of stigma. They gain information about treatments, side effects, and the impact of substance use. Sessions cover communication skills, stress management tools, self-care planning, crisis planning, and family advocacy.	https://www.bcscs.org/support/bcss-programs/strengthening-families-together/ Contact: Office - 604-270-7841 or 1-888-888-0029 info@bcscs.org
